BORDER COLLIE CLUB GREAT BRITAIN
50TH ANNIVERSARY SHOW
25 OCTOBER 2026

When I first became involved with Border Collies nearly 40 years ago, I could never have dreamed that I would one day be privileged to judge such a prestigious show in the homeland of our breed.
My sincerest thanks to the Committee of the BCCCGB for inviting me
and to the exhibitors for affording me the pleasure of going over your beautiful dogs.
I am truly humbled, honoured and proud of the opportunity that you have given me.
I will treasure the memory of this occasion forever.

I was truly impressed by my winners, who were all beautifully presented, trained and well cared for. However I am concerned about the number of dogs being forcibly handled around the ring on tight leads, this spoils the dogs' free, smooth and tireless movement, which is one of the hallmarks of our breed. I do understand that small rings and large classes may be contributing factors, but possibly exhibitors also need to foster a more harmonious partnership with their dogs.
I wish you all every success with your dogs, may you, the breeders and exhibitors, continue to work together in order to take our breed to new heights for the next 50 years!
