3rd LOLISSY DEVILWEARS PRADA

Limit (10, 3ab)

1st GRANDVER IN STYLE JW.3yr black tri. My favourite of the day, reasons being, she is not too exaggerated in any way. Just an honest little girl with everything in the right place. Lovely head, nice dark eye, with up and tipped ears. Good length of neck, nice straight front. Correct height to length ratio with well set tail of correct length. Moved round the ring with effortless drive. So lovely to see a handler that do's not need to pull and push her dog around to get it to stand. Best bitch.

2nd JAYDEAN DAWN CHORUS. 18mth old b/w. very flashy young lady with a lot to like about her. Beautiful expression, good length of neck, body not too long.

Beautifully presented. Was just tending to dip when moving, but sorted this out for the challenge. Res best bitch.

3rd DORVALE STAR TURN

Open (6,1ab)

1st SH CH TONKORY LIGHTNING STRIKES JAYDEAN. 5yr old b/w. beautifully presented and very striking lady, with a sweet expression. Nice dark eyes with a well proportioned head with lovely tipped ears. Good strong neck of correct length. Nice straight front. Good shaped feet. Moved well. For me I would prefer her a little longer in the leg and a little shorter in the body.

2nd FOXBARTON LADY CHANDON JW ShCM. Very much a lady! Nice head with good ears and a naughty expression. Good overall body shape, front not as good as winner, but she moved soundly round the ring.

Special Colour (2)

1st CALEYKIZ TWIST THE NITE AWAY. Blue and white classically marked girlie. Good head shape with well placed prick ears giving her a nice expression. A little upright in the shoulder, but a nice straight front. Had a nice flowing movement round the ring.

2nd CALEYKIZ RHYTHM IS A DANCER. Blue and white. Nice little bitch, good head shape, nice length of neck. A little longer in body and was tending to tuck under herself when she moved.

Special Working (4,3ab)

1st FOXBARTON LADY IN WAITING JW ShCM CDEX. Lovely black tri, with a well shaped head and the darkest of eyes. Correct length of neck, a good sound body, she really moved well round the ring.
